

CONCHO VALLEY AVIATOR

Drop In On Us

We Meet on the third Tuesday of the month at Joe's Italian Restaurant at 1601 S Bryant Blvd in San Angelo. Some meet at about 6:00 pm for pre-meeting dining and hangar talk.

Or drop in to visit the meeting at 7:00 pm and see what we're about. We start with a short business meeting which is followed by an aviation-related presentation

We top it all off with dessert type refreshments.

We'd be happy to see all aviation enthusiasts whether you are a pilot or not.

November...Don Smucker

December - Christmas Party

Probably a Ford Trimotor to the right. Gerry wasn't sure and the editor confirmed that it's not a Junkers. The following link is interesting:

NEXT MEETING

Don't forget our next meeting on **Tuesday, November 19th at Joes Italian Restaurant.**

REMEMBER; NO REGULAR MEETING IN DECEMBER. We will likely be having a short meeting at the **Christmas Party.** Details to be announced.....

EAA CHAPTER 493 MINUTES OF THE OCTOBER, 2013 MEETING

The meeting was called to order at 1900 hours at Joe's Italian Restaurant by the chapter president.

The September meeting minutes were approved as printed in the newsletter.

The treasurer's report was unchanged from the previous one and was approved.

A discussion of student membership followed with information presented that student chapter members must be members of the national EAA organization. The chapter will

not charge a membership fee to student members.

The usual practice of purchase of EAA calendars was discussed and it was decided that the chapter would order 26 copies for an expected total cost of \$244.70. Calendars could be acquired from the chapter by individuals for about ten dollars each.

The nominating committee report indicated that no commitments of candidates were confirmed at this time and that the committee was working on it. An update is expected at the November meeting.

The Young Eagles coordinator announced that an event has been scheduled for November 2. Volunteers are needed. Contact Don Treadwell if you can participate by giving rides or with management of the event on the ramp. There may also be a tour of the ATC tower for the attendees.

Bob Heiser reported that the recent email reflector problems should be fixed by the use of a new reflector that he has set up. The address is EAA493@fly-web.us.

The meeting was adjourned and the program that followed was presented by Tony Marcum.

(Minutes taken by Bob Reece and Gerry Hatch and transcribed by Larry Wedel.)

Very nice Beech Staggerwing to the right.

And to your left, a Mitchell B-25

Thanks to Gerry for these photos that he took at Airventure this year.
