Richard Martin, Secretary

Showcase

This month's Showcase is EAA's Bleriot replica on one of its first flights with a cloud of castor oil blowing back from the Anzani 3 cylinder engine. The building of the replica is featured in the September edition of Sport Aviation.

Send the editor your aviation pictures.

What Our Members are Building

Johnny Williams just recently completed the paint job on his CX-4. Powered by an Aerovee engine, the plane has about 47 hours on it. It will probably be for sale; check with Johnny.

Photo by Bill Yeates

A photo of a new Ultralite design was sent in by Mark Stull.

This U/L was designed by Barnaby Wainfan. He is one of the leading aerodynamicists in this country and has designed many planes for Northrup Grumman.
